How does the question of jurisdiction of Srirangapatna Viff's Court stand? Is there any strong reason against transferring part of Krishnaaspet to Hol. Narsipur - part of Srirangapatna to the one of the Mysore Courts. Please compare this with proposals made from time to time. We may consult the Chief Court afterwards.

9 Apart from the
suggestions made from time to time to
remove the Court altogether from
Seringapatam, two modes of
giving relief to that Court have
been suggested viz one by transferring
a part of the Kris Narajpet Taluq to
the Court at Hole Narsipura
and the other by assigning
the jurisdiction over a portion of
S. patam Taluq to one of the
Courts at Mysore

This however can not be an insuperable objection as the people residing within the limits of the Akkihebbal Hobli have now got to cross the same river to go to Atturkuppé & thence to S. patam.

work

|| The villages comprised in the Hoblis of Chandagal and Belagola which are all on the Mysore side of the Canvey may be transferred to one of the Courts in Mysore. By this means the S. patam Court can be relieved of the litigation arising in its Hoblis altogether. As the Taluqs of S. patam and Kishanur pet. furnish the greater part of the litigation in the Court, the relief that will be afforded by the arrangement outlined above will not be inconsiderable.

12 The proposal to transfer the Hoblis of Mule, Sahyama and Horagahara (in Yedatur Taluq) to the

Munsiff does not directly refer to
the question under consideration in this
file.

13 The Munsiff of H. N. Narsimh

new arrangement becomes too heavy, he
will have to be relieved of his
Criminal work.

seems desirable to consult the

the proposed transfer of the Cuhain

There seems to be no objection to the
transfer of the Civil jurisdiction over the

change would not be welcomed by the
inhabitants of those Hoblis as they would

If the hoblis of Atkichebbal Chendagal and Belgola are

taken away from the jurisdiction of the Seringapatam Court, the relief will be to the extent of about 105 Cases annually to this Court. To this will have to be added the Cases arising in the Seringapatam hobli to the South of the River. What this will be, it is not possible to say. We may take

102-122 SA (11), this latter at about 70 Cases at the least as for the whole

of S. patna Hobli the average for 5 years is 168. So that the total

relief to this Court will be 105 + 70 or 175 Cases at the very least - a very small portion of Atkichebbal Hobli has to

$$\begin{array}{r} 70 \\ 69 \\ 42 \\ 33 \\ 39 \\ \hline 253 \\ 5 = 50.6 \end{array}$$

The total average institution in the Court for 5 years is 1431. So that if the proposal is given effect to the total no. of Suits for disposal each year will fall down to 1431-175 or 1256 Cases in all. This may be taken as fairly substantial relief to the Court tho it will no doubt continue to be one of the 'heavy' Courts in the Province. The 'old' Munsiff's Court will lose 163 Suits tho the transfer of Salpagram, and Hosa Agrahar Hobli of the Yedatari Taluk but will gain in return ~~75~~ 72 Suits from the S. Patna Court, 27 Suits from the Chandagala Hobli, 24 from Belagola and 70 from the S. Patna Hobli (above the river) or in all 124 Suits. The difference in its file will be ~~39~~ 39 Suits (less). This is desirable as at present the file of that Court is rather heavy. (Average of 700 Suits per year).

The Hosa Agrahar Court will gain 163 from the 3 Hoblis in the Yedatari Taluk 51 from the Akki Hebhal Hobli or in all 214 Suits. Even with this addition, the file of the Court will only be about 830.

"Paper under disposal"

48 The accompanying papers relate to a proposal to redistribute the territorial jurisdiction of the Munsiff Courts of Seringapatam and Hole-Narasipur and the additional Munsiff's Court at Mysore with a view to give some relief to the Munsiff of Seringapatam.

49 2. The present jurisdiction of the Munsiff at Seringapatam extends over the Taluks of Seringapatam, Krishnarajpet, Mandya, Malvalli and Nagamangala, and it is now proposed to transfer the hoblies of Chandgal and Belagola and the villages of Seringapatam Hobli on the south of the Cauvery, to the Court of the Additional Munsiff at Mysore and the villages of the Akkihebbal hobli of Krishnarajpet Taluk on the west of the Hemavati, to the Munsiff of Hole-Narasipur. The Additional Munsiff at Mysore is in his turn to be relieved by the transfer of the hoblies of Saligram, Mirle and Hosaagrahar of Yedatore Taluk, to the Munsiff of Hole-Narasipur.

50 3. The proposed arrangement will no doubt afford some substantial relief to the Seringapatam Court which is comparatively a heavy one and add some more

work to the lightly worked Hole-Narasipur Munsiff, but I am averse to constant changes in territorial jurisdiction with a view to equalization of work, unless a strong case is made out for the necessity of affording relief to any particular Court. In the present case I am not satisfied that such a case has been made out.

T

51 4. Judging by the average institutions of cases per year, it is seen that in all 1431 cases are instituted, out of which 416 are small cause suits and the rest viz. 1015 ordinary. It is perhaps true that this work is heavy compared with the other courts in the State, but it is not in itself more than what can be fairly expected to be managed by an intelligent and energetic officer.

Madras Mail
2.13.3.1912

In this connection it may be interesting to compare the work turned out by the Munsiffs in the Madras Presidency. In 1910 there were 128 Munsiffs in Madras who disposed of 1,61,000 small cause suits and 1,05,800 ordinary suits which works out at 1257 small cause suits and 826 ordinary suits for each Munsiff. The annual institution in the Seringapatam Court is thus only a little over two thirds of the disposals of the Madras Munsiff taking the original and small cause suits together

52 5. As I was unable to agree with the First Councilor about the necessity for the change, the papers were

Page 16 g notes.

circulated to the Second Councillor who was of opinion that the litigant public will be opposed to these territorial changes and that the only remedy was to send an able and efficient Munsiff to Seringapatam. A number of petitions have also been received from some of the residents of Mirle, Saligram and Hosaagrahar Hoblies of Yedatore Taluk objecting to the proposed transfer of these hoblies to the jurisdiction of Munsiff of Hole-Narasipur. I beg to recommend for the above reasons that the proposal may be dropped for the present.

Dear Sir,

I am directed to return file No.109 dated 1-4-12 and to point out that the Government has already committed itself to the position that the Seringapatam Munsiff is overworked and that the proposals of the Chief Court now under consideration have been submitted in direct response to a request from Government.

(54) His Highness does not see any objection on principle to changes in jurisdiction, aimed at equalizing work and there can be no doubt that the Hole-Narsipur Munsiff, at any rate, should be given more work.

(55) Whenever a change of this kind is proposed objections are certain to be raised by an ignorant and conservative section of the population and His Highness attaches very little importance to the petitions received in this connection from the people of Yedatore Taluk. These people will

not suffer any inconvenience to speak of by having

To

The Offg. Secretary to the

 General and Revenue Department

Sir,

With reference to your letter
 No. J. 346 - Cts 14-11-1, dated 25th ultimo
 on the subject of giving relief to the
 Court of the Munsiff at Srirangapatam
 the work of which is at present
 heavy, I am directed to place before
 Government the following proposals of
 the District Judge of Mysore which
 have the concurrence of the Judges
 of the Chief Court.

(i) The Chendagol and Belagola
 Hobli and part of Srirangapatam
 Hobli above the Bawery may be taken
 away from the jurisdiction of the

Srirangapatam

Seringapatam Munsiff and added to that of the Additional Munsiff of Mysore.

(ii) The Saligram, Birle and Adasa Agrahara stoblis of Adatore may be added to the jurisdiction of the Munsiff of Stole Harsipur whose work at present is light. These stoblis are above the Cauvery river and it would be in every way convenient to the people of those stoblis to go to Harsipur instead of to Mysore.

(iii) The villages of Akkihebbal stobli of the ~~Trishmarajpet~~ ¹⁻⁵ Balug to the west of the Stenavati, may be distributed between Adatore and Stole-Harsipur Balugs and added to the jurisdiction of the Stole-Harsipur Munsiff's court.

2. The proposed re-distribution will give a fairly proportionate amount of work to each of the three courts concerned, viz., the Munsiff's

5

court at Solenarsipur, the Munsiff's court at Serangapatam and the additional Munsiff's court at Mysor, and will, at the same time, greatly add to the convenience of the litigant public

3. statements shewing

(a) the average number of cases filed per year in the said three courts

(b) How the work of those courts would stand after the proposed re-distribution, are appended.

4. If the above proposals are given effect to, the Munsiff of Solenarsipur will have to be relieved of his magisterial work.
